Dear Parents/Guardians

Snack Break

For the past two years, we have had a snack break for our Primary 1 and 2 Stephenians at 12 pm. With effect from 2017, we will be extending this snack break to all levels. We seek your understanding that this break is a short snack break and it would be good to have only dry finger food brought to school for this purpose. Examples of such snacks would be biscuits, buns, sandwiches, cereal bars and fruits. For boys who choose not to snack, they can use this short break as a stretch or rest break.

Yours in De La Salle

Thomas Koh
Principal
