Dear Parents/ Guardians

ANNUAL HEALTH SCREENING FOR P1 TO P6 PUPILS

Health Promotion Board would be conducting the annual health screening exercise for all primary 1 to 6 pupils from **20 July – 01 Aug 2017**. The exercise would be **conducted in school during curriculum time**.

The annual health screening exercise is part of Health Promotion Board's initiative to assess your child/ward's health status. You are strongly advised to ensure your child/ward's attendance for the health screening exercise. Primary 1 and 5 pupils, in particular, would be receiving their immunization injections during the health screening.

Submission of required documents:

1. Primary 1 and Primary 5 pupils

Your child/ward is required to submit his health booklet to his form teachers by **7 July 2017** as the health screening exercise will begin on 20 July 2017. Your child/ward should already have a health booklet which is issued at birth or in the pre-school years.

2. Primary 1 and Primary 5 pupils

Primary 1 and 5 pupils are also required to submit consent for immunisation and medical information via the online portal via <https://childconsent.hpb.gov.sg> using Singpass. If you are unable to submit online, please ask for the hard copy forms of the Consent form from the school office. Please return the completed forms to the form teacher together with the health booklets.

Purchase of Health Booklet:

If your child/ward's health booklet is misplaced or your child/ward is a foreign pupil who joined the school this year, please complete the order form below and submit the form together with cash/ cheque to the **General Office** by **7 July 2017 (Fri)**.
