Dear Parent / Guardian,

NE SHOW 2017

Since 1997, the National Education (NE) Show has been organised to instil a sense of pride and belonging in students, inculcate NE values and bring across the significance of our National Day. This year's NE Show will be held at the Marina Bay Floating Platform in July for approximately 45,000 teachers and pupils.

The theme for this year's National Day Parade is *One Nation Together*. The theme captures the spirit of Singaporeans uniting, regardless of background. It rallies us to stand together against challenges and uncertainties as well as encourages us to come together to build a brighter future. As 2017 also marks 50 years of National Service, this year's celebrations will pay tribute to the generations of Singaporeans who have defended our peace and security.

With approximately 400 buses per NE Show, it is necessary to stagger the arrival and departure of all spectators and participants to ensure the smooth execution of it. During departure, to ensure the speedy dispersal of students, parents are *not allowed* to drive into the area to pick up their children.

All P5 pupils who are Singapore citizens or permanent residents are required to attend the NE Show. Pupils who are unwell should seek medical attention and rest at home. Pupils will be allowed to wear surgical masks if deemed necessary. In the event of bad weather, pupils will still need to report to school before the final decision is made unless prior notice is given by the form teacher via telephone or SMS service.

Date:	8 July 2017, Saturday
