Ref 1/2017/HA

Dear Parent / Guardian,

Holistic Assessment Progress Report (P1 and P2)

Holistic Assessment focusses on providing qualitative and quantitative feedback to support and guide your child's development. This is closely in line with the school's effort to actively involve parents in your child's holistic growth and learning. As part of this effort, we have been providing parents with termly Progress Report.

The comprehensive Progress Report which includes the reporting of various domains of your child's learning and development is usually given out at the end of each school term. However due to the internal migration to another service provider, the school is facing a slight delay in the printing of these reports. As such, you will receive the Progress Report for Term 1 in April.

We look forward to working closely with you in your child's learning journey in St. Stephen's School.

Dianaros Ab Majid (Mdm)
