P3 Science Enrichment Programme 2017

Dear parents of 3A, 3E, 3H & 3P,

As part of the school curriculum, we will conduct a Science Enrichment Programme for P3 pupils on 2 November 2017. This is a 1-hour hands-on programme conducted by external vendor during curriculum time. It aims to ignite our pupils' curiosity about Science and deepen their knowledge of Science topics.

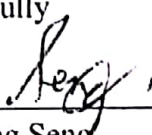

The cost of the programme per pupil is \$12.00 and the school will subsidise 50%. We will need to collect \$6.00 for each pupil. Please note that there will be **no refund** if your child is absent from the programme.

Mode Of Payment

1. You have the option to **make use of your child's Edusave account (applicable to Singapore Citizen pupils only) or pay in cash/cheque.**
2. You may check your child's Edusave account balance via the hotline 62600-777. (Singapore citizen pupils receive \$200 in their Edusave account yearly. Parents will undertake to make payment in cash if there is insufficient fund in their child's Edusave account.)
3. For payment using Edusave account, please complete the attached Withdrawal Form.
4. For payment by cash/cheque, please submit the amount of **\$6.00** by cash OR issue a cheque payable to 'St Stephen's School'. Please indicate your child's name and class on the reverse of the cheque.

Please submit the completed form or cash/cheque payment to your child's Form Teacher by **Mon 30 Oct 2017**.

Yours faithfully

 Mr Tan Yong Seng
