21 February 2018

Dear Parents / Guardians,

**SHARING SESSION FOR PARENTS OF PRIMARY 6 PUPILS -  
STRATEGIES TO SOLVE WORD PROBLEMS INVOLVING FRACTIONS**

We would like to invite you to a Mathematics session where we would share a few strategies to solve word problems involving fractions.

The details are as follows:

Date : 8 March 2018 (Thursday)  
Time : 4.30 p.m. – 5.00 p.m. (Registration)  
5.00 p.m. – 6.00 p.m. (Sharing session)  
Venue : St. Stephen's School (More details will be put up at the foyer)

Be prepared for a hands-on session and bring along some stationery (e.g. pencil, eraser, ruler).

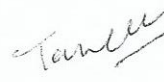

Due to space constraints, we seek your understanding that only one parent / guardian attends the session. For the same reason, children should not attend.

Please indicate your response on the reply slip below and return it to your child's Mathematics teacher **by 28 February 2018**.

Thank you.

Yours sincerely,

  
Teng Beng Chye (Mr.)  
HOD Mathematics

  
Tan Chor Kheng (Mrs.)  
Year Head (Upper Primary)
