Dear Parents / Guardians,

Assessment Plan 2021: Primary 6

1. Our Primary 6 Stephenians are embarking on their final year of learning and experiences at St. Stephen's this year, culminating in the PSLE.
2. The following table and the attached Semester 1 assessment plans indicate the respective preparatory assessments this year, for the students to exercise self-directedness, purpose and motivation in preparing towards this academic milestone.

	Term 1	Term 2	Term 3	Term 4
Primary 6	Continual Assessment	Semestral Assessment	Preliminary Examination	PSLE

3. We will continue to leverage on work assignments and reviews to deepen mastery and passion in the respective subjects. Other than the academic journey towards the PSLE, we will also continue to develop the students holistically this finishing year, during which they grow to become the resilient, focused and independent seniors of the school. We hope that the students will develop an unwavering steadfastness in their pursuit of excellence in both CCAs and studies. These different tenets of the P6 senior year schooling experience will reinforce each other and further strengthen the students' character and motivation in the full spectrum of academic and non-academic pursuits.
4. We hope that our P6 Stephenians will graduate as lifelong learners who enjoy learning, enabled and empowered to learn how to learn and learn how to live – men of integrity and men for others. Let us look forward to a most meaningful and successful graduation year for each of them!

Credere et Servire,

Mr Edwin Heng
Vice-Principal (Academic)
